Hermitage April 10th 1838

My dear Sir

Your letter of the 5th instant with its enclosure is received.

My health is improving slowly but it is with pains & difficulty I write.

But I am revived by the increasing strength of the Democratic cause over the whole Union, and particularly so by the evidence given at your late Democratic meeting in Cincinnati. ~~Meeting~~ - The hypocrites, and conservatives will have to hide their heads soon, or openly join the Federalists, for whom they have been lately labouring under the hypocritical garb of republicans.

The Divorce bill, when it becomes a law, will give prosperity to our country, & durability to our republican system, & perpetuate our glorious Union - and pass it will. There is no other bolus for the peace & prosperity of our beloved country.

Where was my friend Genl Sytle that I do not see his name in the late meeting gave my respects to him, & receive for yourself my best wishes & believe me your friend

W. Moses Dawson -

P. S. I did not receive your last letter to which you allude - You must excuse this scroll. I did not receive until I had closed that I was writing on a single leaf -
